* Excluding registration fees to Hockey Victoria and Hockey Australia.

Any member introducing a new player to the Club can pay 50% of the relevant fee and the introduced player only has to pay 50% of the relevant fee. This applies to the first year only.

Details of the player and the new member to be emailed to treasurer@yarravalleyhockey.com.au

AUSTRALIAN SPORTS FOUNDATION (ASF)

If you would like to support the club in these difficult times the Committee is suggesting that if you are agreeable to pay the Full Fee, even though entitled to the discount fee, the club would treat the difference between this and the discounted fee as a donation to the Australian Sports Foundation and you will be eligible for a tax deduction for this amount when lodging your tax return for the 2021-22 year. The club receives back 95% of this donation which we can use for specific projects.

By making this donation, as well as the tax deduction, the Club agrees that this would give you free entry to all social functions (excluding Presentation Night and Coterie lunches) we are able to hold this season.
