

INDOOR HOCKEY 2018 U18

Indoor hockey is a fast and skilful game – great fun and a great way to keep fit and develop stick skills. The indoor hockey season runs from mid-October to mid-December.

Club games

U18: Players born 2000 or later.

	Game time	Venue
U18 Pennant	Thursday evening	Vic Uni (Footscray)
U18 Shield	Monday evening	MSAC (Albert Park)

Ideally there is a goalie and seven or eight field players in each team. Team entry depends on there being a goalie and sufficient committed field players at the appropriate level.

Training

One training session is scheduled for each team before the start of the season, but no training once club matches start – just the weekly games.

Costs

\$140 / player - covers participation, venue hire and umpires.

\$10 / player – Hockey Victoria indoor registration.
