

## INDOOR HOCKEY 2018

### OPEN MEN & OPEN WOMEN

Indoor hockey is a fast and skilful game – great fun and a great way to keep fit and develop stick skills. The indoor hockey season runs from mid-October to mid-December.

#### **Club games**

	Game time	Venue
Open Women A Grade	Sunday Late morning / early afternoon	MSAC (Albert Park)
Open Men A Grade	Sunday Late afternoon / early evening	MSAC (Albert Park)

Ideally there is a goalie and seven or eight field players in each team. Team entry depends on there being a goalie and sufficient committed field players.

#### **Training**

One training session is scheduled for each team before the start of the season, but no training once club matches start – just the weekly games.

#### **Costs**

\$140 / player - covers participation, venue hire and umpires.

\$10 / player – Hockey Victoria indoor registration.

#### **Are you interested?**

Please register your interest to play with the YVHC indoor hockey coordinator (Tony Brightling):
